EXPERIENCE

DESIGNER, WEB CONTENT MANAGER DRVISION TECHNOLOGIES LLC.

JUNE, 2008 - PRESENT

Initially hired as a logo/collateral designer for this computer-based company. After changing their branding logo and creating business collateral, they then asked me to design their website. After that was finished, they hired me on a part-time basis to help them update their current website with new content whenever the need arised.

DESIGN INTERN GLOBAL VISIONARIES

NOVEMBER, 2007 - MARCH, 2008

Collaborated with and supported Executive Director and Communications Director by creating/ updating brand- compatible layouts for public relations material, including: brochures, flyers, newsletters, media kits, event invitations, Powerpoint presentations, posters, etc. with specific deadlines.

DESIGNER, OPINION PAGE THE SPECTATOR

AUGUST, 2006 - DECEMBER, 2006

Designed the layouts for the Opinion pages with the Opinion editor and Seattle University's design team. Used Indesign, Illustrator, and Photoshop to help create a 16-page newspaper with a strict weekly deadline.

IMAGE LABELER SVISION LLC.

JUNE, 2003 - SEPTEMBER, 2005

Cell-image labeling, pap-smearing, and analysis: labeled over 20,000 images using an image-labeling software program designed by the company. Assisted colleagues in designing the companies computer icons and business cards.
